

Overseas Logistics & Distribution

Overseas Logistics & Distribution

About us

-  We provide sea, rail, road and air freight services both domestic and international, as well logistics services.
-  Our **experience in logistics** and custom-tailored approach to every customer makes us a reliable partner in business.
-  We accompany our **customers at every stage of the supply chain** and support their continuous development.

Our values

Competence

We **share our knowledge** and insight into the market with our Clients, aiding the development of Your business.

Global reach

In Asia and Europe, we cooperate with an extensive network of Agents and Partners, which allows us to **organise transports all across the globe**.

Reliable team

It's the employees who make the company. They are the most important value of OL&D. Their commitment and everyday work translate directly to the trust and loyalty we enjoy from the Clients. Thanks to good work environment based on mutual trust and stimulating atmosphere, we can boast a team of competent professionals.

Individual approach

We put a lot of effort into **understanding our Clients' needs**, which allows us to use the most optimal solutions. Custom-tailored approach guarantees **satisfying current needs** of the client.

Check our offer

Logistics operations and warehousing

We offer warehouse logistics services tailored to the needs of the customer. We design and implement logistics solutions for clients with specific needs and unusual cargo.

We pay **extra attention to small and medium companies**, who outsource warehousing to be able to focus on sales, production etc. Thanks to our solutions, we **enhance the improvement of effectiveness of logistics processes**, in effect reducing the logistics costs in our customer's company.

We integrate IT solutions with customers' main systems, taking into account materials management resulting from sales processes. We have an experienced team of managers and young, dedicated personnel, for whom every challenge is an opportunity.

Services we provide:

-  handling (including bulk cargo)
-  storage
-  warehousing
-  groupage
-  copacking
-  handling returns
-  customs warehousing

Check our offer

Finding a compromise between time and demand for the goods, we offer a wide range of air freight services. Our air freight experts will suggest flexible solutions which will meet many challenges.

We cooperate only with proven air carriers, which makes us sure of our services. Our experts are constantly in touch with the Client, which is the core of the cooperation. We successfully deliver full service for import and export shipments to and from all airports in Poland, Germany and Austria.

Services we provide:

-  customs clearance services
-  full airport service for import and export
-  door-to-airport transport
-  airport-to-airport transport
-  airport-to-door transport

Check our offer

Rail freight

Rail freight is an alternative to air and sea freight. It allows companies to save time and money, at the same time giving the opportunity to quickly move the necessary goods.

We pick up cargo from and to all 11 Chinese container terminals, both under EXW and FOB conditions (terminal). We arrange delivery and distribution all across Poland and Europe.

Our experts will be Your support at every stage of the order, starting from the first and during all the other ones.

Services we provide:

- 📦 full range of FCL / LCL in import and export services
- 📦 transporting goods under EXW, FOB conditions (terminal)
- 📦 our own LCL console to Warsaw and Hamburg
- 📦 optional shipment tracking
- 📦 distribution across entire Poland and Central Eastern Europe

Check our offer
